

# CURRICULUM VITAE

*Dr. Alejandro Corichi Rodríguez Gil*

Instituto de Matemáticas  
Campus Morelia, A. Postal. 61-3  
Morelia, Michoacán 58089, México.

TEL: (+52 55) 5623-2769  
FAX: (+52 55) 5623-2732  
E-MAIL: corichi@matmor.unam.mx

## *Datos Personales*

<b>Domicilio</b>	Agustín Melgar 180, Morelia, 58260, Michoacán, México
<b>Teléfono Particular</b>	(443) 314-2844, 5662-7276
<b>Fecha de Nacimiento</b>	2 de noviembre de 1967
<b>Nacionalidad</b>	Mexicana
<b>Estado Civil</b>	Casado

## *Carrera Académica*

1993-1997	<b>Ph.D.</b> , Doctorado en Física Teórica, Departamento de Física, Universidad Estatal de Pennsylvania, Pennsylvania, USA. <i>Título de la Tesis</i> : “Interplay between Topology, Gauge Fields and Gravity.” <i>Director de Tesis</i> : Prof. Abhay Ashtekar. <i>Fecha del Examen</i> : 14 de Abril de 1997.
1992-1993	<b>Estudios de Maestría en Física</b> , Departamento de Física, Universidad de Syracuse, Nueva York, USA.
1985-1991	<b>Licenciatura en Física</b> , Facultad de Ciencias, Universidad Nacional Autónoma de México, México <i>Título de la Tesis</i> : “Introducción a la Geometrodinámica” <i>Fecha del Examen</i> : 31 de Octubre de 1991. Aprobado con Mención Honorífica.

## *Experiencia Laboral*

2007-2008	<b>Profesor Visitante,</b> Instituto de Gravitacion y el Cosmos, Universidad Estatal de Pennsylvania, USA
2005-	<b>Investigador Titular B, t. c.,</b> Instituto de Matemáticas, Universidad Nacional Autónoma de México, Morelia, México
2003-2005	<b>Investigador Titular B, t. c.,</b> Instituto de Ciencias Nucleares, Universidad Nacional Autónoma de México, México
2001-2002	<b>Research Associate,</b> Departamento de Física y Astronomía, Universidad de Mississippi, USA
1999-2003	<b>Investigador Titular A, t. c.,</b> Instituto de Ciencias Nucleares, Universidad Nacional Autónoma de México, México
1998-a la fecha	<b>Profesor de Asignatura,</b> Departamento de Física, Facultad de Ciencias Universidad Nacional Autonoma de Mexico, Mexico
1997-1999	<b>Investigador Asociado C, t. c.,</b> Instituto de Ciencias Nucleares, Universidad Nacional Autónoma de México, México
1996	<b>Ayudante de Profesor,</b> Departamento de Física, Universidad Estatal de Pensylvania, U.S.A. Laboratorios de licenciatura y curso de posgrado en física.
1989-1991	<b>Ayudante de Profesor,</b> Departamento de Física y Departamento de Matemáticas Facultad de Ciencias, UNAM, México Cursos de licenciatura en física y matemáticas

*Hacia una una fenomenologia de hoyos negros peludos*

Enero 2001, Instituto de Ciencias Nucleares, UNAM,  
México.

**Coloquio de Relatividad y Fisica Matematica**

*Hoyos Negros Peludos, Solitones y otras Bestias*

Febrero 2001, Departamento de Fisica, CINVESTAV, IPN,  
México.

**IX Reunion Anual de la DGFM, SMF. Platica Invitada**

*Is Quantum Geometry Point-less?*

Mayo 2001, CINVESTAV,  
México D.F., México.

**Seminario Sandoval Vallarta**

*Geometria Cuantica a la Escala de Planck*

Mayo 2001, Instituto de Fisica, UNAM,  
México.

**Seminario de Relatividad**

*Isolated horizons and some hairy applications*

Noviembre 2001, Perimeter Institute for Theoretical Physics,  
Waterloo, Canada.

**Coloquio del Departamento de Fisica**

*Hairy Black Holes, Solitons and other Beasts*

Agosto 2002, Department of Physics and Astronomy,  
U. of Mississippi, USA.

**Platica Invitada, Aspects of General Relativity and Mathematical Physics**

en Honor al Prof. Plebanski

*On Unitary evolution in Quantum Cosmology*

Septiembre 2002, CINVESTAV, Mexico

**Seminario de Fisica Teorica**

*Hairy Black Holes, Solitons and other Beasts*

Marzo 2003, Centro de Estudios Cientificos del Sur,  
Valdivia, Chile.

**Seminario del Departamento de Gravitación y Teoria de Campos**

*¿Que onda con los modos cuasinormales y la gravedad cuantica?*

Mayo 2003, Instituto de Ciencias Nucleares, UNAM,  
México.

**Gravitation: A Decennial Perspective**

*Horizon Mass for de Sitter Black Holes*

Junio 2003, Penn State University, Pennsylvania,  
USA.

**Gravitation: A Decennial Perspective**

*When is Quantum Gravity Unitary?*

Junio 2003, Penn State University, Pennsylvania,  
USA.

**Seminario del Departamento de Gravitación y Teoria de Campos**

*¿Se puede definir una masa para de Sitter?*

Agosto 2003, Instituto de Ciencias Nucleares, UNAM,  
México.

**Platica Invitada, XXXVI Congreso Nacional de la SMM.**

*Introducción a la Geometría Cuántica basada en Lazos*

Octubre 2003, U. Aut. del Estado de Hidalgo,  
Pachuca, Mexico.

**Platica Invitada, CECS Summer Meeting on Theoretical Physics.**

*Black Holes in Loop Quantum Gravity*  
Enero 2004, Centro de Estudios Científicos,  
Valdivia, Chile.

**Platica Invitada, Conferencias en Honor a M. Rosenbaum.**

*Self-duality, QFT and Link Invariants*  
Febrero 2004, UNAM,  
Mexico.

**Seminario de Relatividad**

*Hoyos negros en LQG: any news?*  
Marzo 2004, Universidad Autónoma Metropolitana, Iztapalapa,  
México.

**Seminario del Departamento de Física Teórica**

*Agujeros Negros en Gravedad Cuántica de Lazos*  
Abril 2004, Instituto de Estructura de la Materia, CSIC  
Madrid, España.

**Platica Plenaria, Nonperturbative Quantum Gravity: Loops and Spin Foams.**

*Black Holes in Loop Quantum Gravity*  
Mayo 2004, CIRM, Luminy,  
Marseille, Francia.

**Seminario del Departamento de Gravitación y Teoría de Campos**

*QFT, Autodualidad y el Estado de Kodama*  
Julio 2004, Instituto de Ciencias Nucleares, UNAM,  
México.

**Seminario del Instituto de Física y Matemáticas**

*QFT, Autodualidad y el Estado de Kodama*  
Julio 2004, Instituto de Física y Matemáticas, U. Michoacana,  
México.

**Seminario del Departamento de Gravitación y Teoría de Campos**

*Hoyos Negros en Gravedad Cuántica de Lazos*  
Octubre 2004, Instituto de Ciencias Nucleares, UNAM,  
México.

**Seminario Sandoval Vallarta**

*Gravedad Cuántica de Lazos y Agujeros Negros*

Octubre 2004, Instituto de Fisica, UNAM, México.

**Platica Invitada, Workshop on Quantum Gravity in the Americas:  
Status and future directions.**  
*Some Issues in semiclassical LQG*  
Octubre 2004, Perimeter Institute,  
Waterloo, Canada.

**Platica Plenaria, VI Mexican School on Gravity and Mathematical Physics:  
Approaches to Quantum Gravity**  
*Black Holes in Loop Quantum Gravity*  
Noviembre 2004, Playa del Carmen  
Mexico.

**Curso (1/3), VI Mexican School on Gravity and Mathematical Physics:  
Approaches to Quantum Gravity**  
*Quantum Geometry I: the basics*  
Noviembre 2004, Playa del Carmen  
Mexico.

**Seminario de relatividad**  
*Semiclassical states and statistical geometry in LQG*  
Enero 2005, Instituto de Fisica Gravitacional y Geometria  
U. Estatal de Pennsylvania, USA.

**Coloquio, Coloquios del Posgrado en Ciencias Fisicas**  
*Gravedad Cuantica*  
Marzo 2005, ICN-UNAM  
Mexico.

**Platica Invitada, 2005 Año Internacional de la Fisica**  
*A 100 años de la Relatividad: ¿Que sabemos del espacio-tiempo?*  
Mayo 2005, Museo de Ciencia Universum, UNAM  
Mexico.

**Platica Invitada, Año Mundial de la Fisica**  
*A 100 años de la Relatividad: ¿Que sabemos del espacio-tiempo?*  
Junio 2005, Universidad Autonoma Metropolitana, Iztapalapa  
Mexico.

**Mesa Redonda, 2005 Año Internacional de la Fisica**  
*Relatividad: Presente y Futuro*  
Junio 2005, Facultad de Ciencias, UNAM  
Mexico.

**Coloquio del Instituto de Matematicas**

*Aspectos de la representación de Schroedinger en teoria de campos*  
Septiembre de 2005, Instituto de Matematicas, UNAM, Unidad Morelia,  
México.

**Platica Plenaria, Loops'05**

*Semiclassical States and Constrained Systems*  
Octubre 2005, Albert Einstein Institute,  
Golm, Alemania.

**Platica Invitada, Sociedad Astronomica de la Fac. Ciencias**

*A 100 años de la Relatividad: ¿Que sabemos del espacio-tiempo?*  
Octubre 2005, Facultad de Ciencias, UNAM  
Mexico.

**Platica Invitada, 2005 Año Internacional de la Fisica**

*¿Que es el espacio?*  
Noviembre 2005, Feria de la Fisica, Palacio de Mineria  
Mexico.

**Seminario de Grupo de relatividad**

*Quantum Cosmology of the Gowdy model*  
Noviembre 2005, Departamento de Fisica, U. Mississippi  
USA.

**Platica Plenaria, II Meeting on the interface of gravitational  
and quantum realms**

*Loop quantum geometry: non-commutative, fuzzy or what?*  
Diciembre 2005, COZCyT, Zacatecas,  
México

**Seminario del Departamento de Gravitación y Teoria de Campos**

*Crackpot Physics I: Mecanica Cuantica*  
Junio 2006, Instituto de Ciencias Nucleares, UNAM,  
México.

**Curso (1/2), Seminario Especial del Departamento de Astrofisica:**

*Gravedad Cuantica de Lazos I: Introduccion*  
Junio 2006, Universidad de Valencia,  
España.

**Curso (2/2), Seminario Especial del Departamento de Astrofisica:**

*Gravedad Cuantica de Lazos II: Aplicaciones*  
Junio 2006, Universidad de Valencia,  
España.

**Platica Plenaria, Recent developments in Gravity (NEBXII)**

*Microscopic back holes in loop quantum gravity.*

Julio 2006, Naplio, Grecia.

**Quantum Gravity in the Americas III**

*A new approach to quantum gravity phenomenology.*

Agosto 2006, Penn State U, USA.

**Mesa Redonda, Quantum Gravity in the Americas III**

*Back hole counting in loop quantum gravity.*

Agosto 2006, Penn State U, USA.

**Platica Plenaria, 1st Meeting on Matter in Quantum Gravity**

*LQG: Loopy geometry and, what is the matter?*

Noviembre 2006, Patzcuaro, Mexico.

**International Loop Quantum Gravity Seminar**

*Quantum Isolated Horizons: the Planck Scale Regime.*

Noviembre 2006, IMUNAM, Mexico

**Gravity Seminar, IGPG**

*Just how fine is LQC?*

Marzo 2007, Penn State U., USA

**International Loop Quantum Gravity Seminar**

*Relation Between Schroedinger and Polymer Quantum Mechanics.*

Marzo 2007, Penn State U, USA

**Gravity Seminar, IGC**

*The quantum bounce in LQC: Past and future*

Septiembre 2007, Penn State U., USA

**Seminario del Instituto de Fisica y Matematicas**

*El Big bang en la cosmología cuántica de lazos*

Septiembre 2007, Instituto de Fisica y Matematicas, U. Michoacana, México.

**Platica Invitada, Relativity: Classical and Quantum**

*Is miniuperspace quantization justified?*

Diciembre 2007, ICN-UNAM, México.

**Conferencia Plenaria, ICGC07, Int. Conference on Gravitation and Cosmology**

*Black Holes in Loop Quantum Gravity*

Diciembre 2007, IUCAA, Pune, India.

## *Otras Actividades Academicas*

- 2008- **Miembro del “Scientific Organizing Committee”**,  
GRG19, 19<sup>th</sup> International Conference on General  
Relativity and Gravitation.  
Mexico D.F., Mexico, Julio 2010
- 2007- **Miembro del “Local Organizing Committee”**,  
GRG19, 19<sup>th</sup> International Conference on General  
Relativity and Gravitation.  
Mexico D.F., Mexico, Julio 2010
- 2007 **Miembro del “Organizing Committee”**,  
Loops’07  
Conferencia Internacional.  
Morelia, Mexico, Junio 2007
- 2006 **Miembro del “Scientific Committee”**,  
Quantum Gravity in the Americas III  
Conferencia Internacional.  
Instituto de Fisica Gravitacional y Geometria,  
Penn State, USA, Agosto 2006
- 2005 **Miembro del “International Scientific Committee”**,  
Loops’05  
Conferencia Internacional.  
Instituto Max Planck para Fisica Gravitacional,  
Golm, Alemania, Octubre 2005
- 2004 **Miembro del Comité Organizador**,  
Homenaje al Dr. Marcos Rosenbaum  
Taller Científico  
México D.F., México, Febrero 2004
- 2004 **Miembro del Comité Organizador**,  
30 de Años de Gravitación en la UNAM: Homenaje a Mike Ryan  
Conferencia Científica  
México D.F., México, Febrero 2004
- 2004 **Presidente del Comité Organizador**,

- Frontiers in Loop Quantum Gravity  
Workshop avanzado  
México D.F., México, Enero 2004
- 1999           **Miembro del Comité Editorial,**  
Proceedings of the III Mexican School on Gravitation:  
Black Holes: Classical and Quantum  
Mazatlán, México, Noviembre 1998
- 1999           **Miembro del Comité Organizador,**  
III Taller de Gravitación y Física Matemática.  
León, México, Diciembre de 1999
- 1998           **Miembro del Comité Organizador,**  
III Escuela Mexicana de Gravitación y Física Matemática:  
Hoyos Negros, Clásicos y Cuánticos  
Mazatlán, México, Noviembre 1998
- 1998           **Miembro del Comité Organizador,**  
Ciclo de Conferencias de Otoño: Física y Geometría  
FENOMECA, Facultad de Ciencias,  
Mexico, Noviembre 1998
- 1998           **Miembro del Comité Organizador,**  
VI Reunion Anual, DGFM-SMF, Mexico D.F., Abril 1998
- 1998-2001      **Comité Organizador,**  
Seminario Departamental,  
Departamento de Gravitación y Teoría de Campos  
ICN-UNAM, Enero 1998 a Septiembre 2001
- 1998-          **Reviewer para** *Mathematical Reviews*,
- 1997-1998      **Curso Avanzado de Gravedad Cuántica No Perturbativa,**  
ICN, UNAM.
- 1997-          **Referee para las Revistas:** *Physical Review Letters*,  
*Classical and Quantum Gravity*, *Int. Jour. Mod. Phys. D*,  
*Physical Review D*, *Gen. Rel. Grav.*,  
*Mod. Phys. Lett. A* y la *Rev. Mex. de Física*
- 1997-1998      **Curso Avanzado de Gravedad Cuántica No Perturbativa,**  
ICN, UNAM.
- 2000-          **Arbitro de Proyectos Científicos para las agencias:**

*CONACyT (Mexico), CONICET (Chile) y  
FOM (Holanda)*

1997      **Curso de Otoño de FENOMEc: Geometría y Física  
Geometría Cuántica y Hoyos Negros**  
Noviembre 3-7 1997, Facultad de Ciencias, UNAM.

1997      **Recopilacion Bibliografica**  
Reportado en: “Bibliography of publications related to classical and quantum gravity in terms of connections and loop variables”, By C. Beetle and A. Corichi. E-print gr-qc/9703044.

2005      **Recopilacion Bibliografica**  
Reportado en: “Bibliography of publications related to classical selfdual variables and loop quantum gravity”, By A. Corichi and A. Hauser. E-print gr-qc/0509039.

2005-      **Serie de Television, “El Nuevo Universo”**  
Participacion en la planeacion de la Serie,  
Co-Guinista y Co-Asesor Cientifico.  
Serie Coproducida por Ad-Astra y TV-UNAM.

2007-      **Entrevistas en Radio y TV,**  
a) “Semblanzas de la Ciencia”, 25-06-07, Radio Michoacana,  
b) “Capsula de Ciencia”, 25-06-07, Television Michoacana,  
c) Entrevista con Motivo del Premio “Bachiller Alvaro Galvez y Fuentes”, 10-12-07, Canal 22.  
d) Revista “Irradia”, 9-06-08, Radio Mexiquense,  
e) “Antena Radio Primera Edicion”, 17-06-08, IMER.

2004-      **Entrevistas en Medios Impresos,**  
a) “Conferencias en honor del academico Michael Ryan”, Laura Romero, 19-02-04, Gaceta-UNAM.  
b) “Albert Einstein revoluciono la vision del espacio y el tiempo”, Laura Romero, 19-05-05, Gaceta-UNAM.  
c) “Gravitacion cuantica, LOOPS07”, Viridiana Lopez, 25-06-07, El Cambio de Michoacan.

2004-      **Articulos Periodisticos Mencionando mi Trabajo,**  
1) “Before the Big Bang: A Twin Universe?”, Lisa Zyga, PhysOrg, 09-04-08, ([www.physorg.com/news126955971.html](http://www.physorg.com/news126955971.html))  
2) “Did pre-big bang universe leave its mark on the sky?”, Stephen Battersby, New Scientist, 10-04-08.  
3) “Are We a Duplicate Universe of the One Prior to the Big Bang?” Josh S. Hill, 11-04-08. [www.dailymail.co.uk/sciencetech/article-11333/Are-we-duplicate-universe-one-prior-big-bang.html](http://www.dailymail.co.uk/sciencetech/article-11333/Are-we-duplicate-universe-one-prior-big-bang.html)

- 4) "What was Before the Big Bang? An Identical, Reversed Universe", Ian O'Neill, Universe Today, 14-04-08.
- 5) "Nuestro Universo pudo haberse formado de otro Universo specular anterior", Yaiza Martinez, Tendencias Cientificas, 13-04-08.
- 6) "La memoria del Universo", NeoFronteras, 17-04-08.  
<http://neofronteras.com/?p=1150>.
- 7) "El gran reboton, o como mirar mas alla del big bang", Sergio de Regules (Imagen en la Ciencia), 08-05-08.
- 8) "Analizan nuevas teorias del origen del Universo", Aned Ayala, Periodico Provincia, 11-05-08.
- 9) "Estudian que ocurrio antes del Big Bang", Cecilia Rosen, Diario Reforma, 27-05-08.
- 10) "Contraponen a Big Bang teoria de 'robote cuantico'", Cecilia Rosen, El Norte, 27-05-08.
- 11) "Cuestionan teoria: el Big Bang no fue el inicio de tiempo y espacio" Laura Romero, 05-06-08, Gaceta-UNAM;  
"Possible, que el Big Bang no fuese el Inicio del tiempo y el espacio", Laura Romero, 04-06-08, Boletin UNAM-DGCS-351.
- 12) Boletin de Notimex que fue tomado en:  
El Universal: "Preven que colaboracion de mexicano cambie teoria del big bang"  
Excelsior: "Mexicano sacude la Teoria del 'Big Bang'"  
El Economista.com.mx: "Un mexicano podria reinventar El 'Big Bang'"  
Hechos TV: "Mexicano revoluciona la teoria del Big Bang"  
Yahoo Noticias, Prodigy-MSN: "Colaboracion de Mexicano podria cambiar teoria del big bang"  
Cambio de Michoacan: "El antes del Big Bang"  
Diario de Mexico: "Mexico revoluciona teoria del Big Bang en creacion del universo"  
La Cronica de Hoy: "Mexicano revoluciona la teoria del 'big bang'"  
El Siglo de Torreon: "Mexicano que podria cambiar la teoria del big bang"  
Kiosco Mayor: 'Contraria matematico matematico teoria del "Big Bang"'  
El Mexicano: "Cientifico de la UNAM echa abajo teoria sobre origen del universo". ETC.
- 13) "Mexicano podria cambiar teoria del big bang", Ana Maria Longi Unomasuno, 05-06-08.
- 14) "Antes del *big bang* ocurrio un 'rebote cosmico', segun estudio", La Jornada, 05-06-08.
- 15) "Possible que el Big Bang no fuera el inicio", La Jornada Ciencias 06-06-08.
- 16) "Atrevimiento", Javier Flores, La Jornada, 10-06-08.
- 17) "Mexicano sacude la gran Teoria: Se reescribira la historia del Bin Bang?", Tenoch-Blog, 05-06-08.
- 18) "Que paso antes del origen del universo?", S. Almaraz,

- Ciencia Hoy, 09-06-08.  
19) “Brilla ciencia pese a todo”, Patricia Lopez y Cecilia Rosen,  
Reforma y El Norte, 26-06-08.  
20) “El origen del Universo: Ayer y Hoy”, Joel N Jimenez y  
Sergio Almaraz, La Jornada Ciencias, 30-06-08.  
21) “The universe before ours”, Robert Matthews,  
BBC Focus No.193, Agosto 2008.

## *Distinciones*

1988-1991	<b>Becario de Licenciatura,</b> DGAPA, Universidad Nacional Autónoma de México, México.
1991	<b>Medalla Gabino Barreda,</b> Universidad Nacional Autónoma de México, México.
1991	<b>Beca Bruno Gonzalez,</b> Sociedad Mexicana de Física - CERN.
1991-1992	<b>Ayudante de Investigador,</b> Sistema Nacional de Investigadores, México.
1992-1997	<b>Becario de Doctorado,</b> DGAPA, Universidad Nacional Autónoma de México, México.
1994	<b>Collegiate Scholastic All American,</b> United States Achievement Academy, USA.
1995-1998	<b>Candidato a Investigador Nacional,</b> Sistema Nacional de Investigadores, México.
1997	<b>Proyecto de Investigacion Inicial,</b> Consejo Nacional de Ciencia y Tecnología, México.
1998-2001	<b>Nivel “C” del PRIDE,</b> Universidad Nacional Autónoma de México, México.
1998-2004	<b>Investigador Nacional I,</b> Sistema Nacional de Investigadores, México.
1999	<b>Proyecto de Investigacion,</b> Modalidad de Jovenes Investigadores, Consejo Nacional de Ciencia y Tecnología, México.

- 2000                   **Miembro Regular,**  
                          Academia Mexicana de Ciencias, México.
- 2001-                 **Nivel “D” del PRIDE,**  
                          Universidad Nacional Autónoma de México, México.
- 2001                 **Who'sWho in Science and Engineering,**  
                          6a Edición 2001-2002. Marquis Publishing
- 2001                 **Candidato del ICN-UNAM,**  
                          Premio de Investigacion de la AMC.
- 2002                 **Candidato del ICN-UNAM,**  
                          Distincion Universidad Nacional a Jovenes Investigadores.
- 2003                 **Who'sWho in the World,**  
                          21a Edición 2004. Marquis Publishing
- 2003                 **Candidato del ICN-UNAM,**  
                          Premio de Investigacion de la AMC.
- 2004                 **Candidato del ICN-UNAM,**  
                          Distincion Universidad Nacional a Jovenes Investigadores.
- 2004-                **Investigador Nacional II,**  
                          Sistema Nacional de Investigadores, México.
- 2005                 **Proyecto de Investigacion,**  
                          Modalidad de Proyecto de Grupo,  
                          Consejo Nacional de Ciencia y Tecnologia, México.
- 2005                 **Candidato del ICN-UNAM,**  
                          Premio de Investigacion de la AMC.
- 2006                 **Estancia de Verano para Investigadores Jovenes,**  
                          Programa AMC-FUMEC, en la U. Estatal de Pennsylvania.
- 2007                 **Candidato del IM-UNAM,**  
                          Distincion Universidad Nacional a Jovenes Investigadores.
- 2007                 **Gran Premio Bachiller Alvaro Galvez y Fuentes,**  
                          Muestra Iberoamericana 2007 de Television y Video Educativo,  
                          Cientifico y Cultural, a “El Misterio de la Electricidad” de  
                          la serie “El Nuevo Universo”.

## *Docencia y Formación de Recursos Humanos*

1997-

### **Pláticas de Divulgación.**

1). *Gravedad Cuantica: ¿Por que y para que?*

Día de Puertas Abiertas, ICN-UNAM, México D.F., Febrero 2001

2). *Hoyos Negros: un laboratorio para la física teórica*

Día de Puertas Abiertas, ICN-UNAM, México D.F., Septiembre 1998

3). *Física a la Escala Más Alta de Energías: Gravedad Cuantica*

Día de Puertas Abiertas, ICN-UNAM, México D.F., Noviembre 1997

1998

### **Conferencia de Divulgación. *El Universo Inflacionario***

Dentro del curso: "Cosmología",

Programa Jovenes hacia la Investigación, CCH-Naucalpan, Mayo 1998

1998-

### **Asesor de Tesis**

Asesoramiento, a partir de Febrero de 1998, del trabajo doctoral del M. en C. Manuel Reyes.

Título de la tesis: *Operadores Geométricos en Gravedad Cuantica*, con un 90% de avance.

Departamento de Física, CINVESTAV, Mexico

2000-

### **Asesor de Servicio Social y Tesis**

Asesoramiento, a partir de Febrero de 2000, del Servicio Social (ya completado)

y a partir de febrero de 2001 de la Tesis de Licenciatura del Sr. Alejandro Gonzalez Samaniego.

Título de la tesis: *Introducción a la termodinámica de agujeros negros*, con un 100% de avance.

Fecha de Titulacion: 4 Julio de 2003.

Facultad de Ciencias, UNAM, Mexico

2000-2003

### **Co-asesor de Tesis**

Co-asesoramiento (con H. Quevedo), a partir de Junio de 2000, del trabajo doctoral del M. en C. Jeronimo Cortez.

Título de la tesis: *Cuantización de Modelos*

*Sigma no-lineales: la Cosmología de Gowdy  $T^3$* ,

con un 100% de avance. Fecha de titulacion: 9 Julio de 2003.

Posgrado en Ciencias Físicas, UNAM, Mexico

2003-

### **Tutor Principal, PCF**

Asesoramiento, a partir de 2003,

del trabajo doctoral de los Fis. Alejandro Gonzalez

y Alexander Caicedo, y el M. en C. William Cuervo en el Posgrado en Ciencias Físicas

UNAM, Mexico

2006

**Asesor de Tesis**

Asesoramiento, a partir de 2006,  
del Trabajo de Investigacion (Maestria) de los Lic. Enrique Fernandez  
y Jacobo Diaz. Fecha de obtencion del grado:  
Junio y Octubre de 2006, respectivamente.  
Universidad de Valencia, España

2006-

**Asesor de Tesis**

Asesoramiento, a partir de 2006,  
del trabajo doctoral de los Lic. Enrique Fernandez  
y Jacobo Diaz, en el programa de  
Doctorado de la Universidad de Valencia,  
España

1997-

**Comités Tutorales**

Miembro de los comités tutorales de los M. en C. Roman Linares,  
Igor Peña, Jeronimo Cortez y de los Srs. Alejandro Gonzalez,  
Oztoc Flores y Belinka Gonzalez en el programa de doctorado y del  
Fis. Raymundo Perez, el Sr. Leandro Chernicoff, Tiber Ramirez  
y el Lic. Hugo Solis en el programa de maestria.  
Posgrado en Ciencias Físicas, UNAM.

1997-

**Sinodal**

He sido sinodal en 5 exámenes profesionales en la Fac. de Ciencias, UNAM  
(Jeronimo Cortez, Catalina Espinoza, Erika Reyes, Alejandro Gonzalez  
y Pablo Castañeda) y 8 examenes de doctorado: Merced Montesinos,  
Departamento de Física, CINVESTAV. J. Cortez, J.A. Gonzalez,  
R. Linares, E. Okon, PCF, UNAM. H.H. Hernandez, UAM-I,  
G. Frias, UAEM y E. Manrique, UMSNH.

2002

**Sinodal Externo**

Invitado a ser sinodal externo del Sr. Kevin Setter  
en el programa de Honors, Swarthmore College, Swarthmore  
Pennsylvania, USA.

2003-2004

**Asesor de Postdoctorado, ICN-UNAM**

Asesoramiento, de Agosto de 2003 a Dic. 2004,  
del trabajo Postdoctoral del Dr. Jeronimo Cortez  
Instituto de Ciencias Nucleares (Proyecto Conacyt J32754-E)  
UNAM, Mexico

1998

**Cursos de Doctorado.**

1). Métodos Geométricos en Cuantización

3 hrs/semana, Departamento de Física, CINVESTAV, Semestre 98-I

2). Geometría Cuántica en Gravedad No-perturbativa

3 hrs/semana, Departamento de Física, CINVESTAV, Semestre 98-II

3). Geometría de la Teoría Cuántica de Campos

4 hrs/semana, Posgrado en Matemáticas, UNAM-UMSNH, Semestre 08-I

1998-

**Cursos de Licenciatura.**

1) Métodos Geométricos en Física Matemática

3 hrs/semana, Facultad de Ciencias, UNAM, Semestre 98-II

2) Relatividad

3 hrs/semana, Facultad de Ciencias, UNAM, Semestre 99-II

3) Relatividad General

4.5 hrs/semana, Facultad de Ciencias, UNAM, Semestre 00-I

4) Relatividad

3 hrs/semana, Facultad de Ciencias, UNAM, Semestre 01-I

5) Relatividad General

4.5 hrs/semana, Facultad de Ciencias, UNAM, Semestre 03-II

6) Relatividad General I

4 hrs/semana, F. de Ciencias Físico Matemáticas, UMSNH, 06-II

1998-

**Cursos del Posgrado en Ciencias Físicas, UNAM.**

1) Formulación Geométrica de la Mecánica Cuántica

3 hrs/semana, Instituto de Ciencias Nucleares, UNAM, Semestre 99-II.

2) Relatividad General

4.5 hrs/semana, ICN-UNAM, Semestre 00-II

3) Relatividad General Avanzada

4 hrs/semana, ICN-UNAM, Semestre 03-II

4) Relatividad General Avanzada

4 hrs/semana, ICN-UNAM, Semestre 04-II

5) Aspectos Cuánticos de la Gravitación

4 hrs/semana, ICN-UNAM, Semestre 05-II

## *Actividades de Apoyo Institucional*

- 1997-2001           **Miembro de Comite**  
Comite Organizador del Seminario Departamental  
DGyTC, ICN, UNAM.
- 1999-2001           **Miembro de Comite**  
Comite de la Unidad de Docencia y Formacion de Recursos Humanos  
Instituto de Ciencias Nucleares, UNAM.
- 1999-2001           **Miembro de Comite**  
Comite de Biblioteca  
Instituto de Ciencias Nucleares, UNAM.
- 2000-2001           **Representante (Suplente)**  
Representante de los tutores del ICN-UNAM  
ante el Comite Academicoo del Posgrado en Ciencias Fisicas, UNAM.
- 2001-2005           **Representante**  
Representante del Director del ICM-UNAM  
ante el Comite Academicoo del Posgrado en Ciencias Fisicas, UNAM.
- 2000-2001           **Consejero Representante**  
Consejero Representante del Personal Academicos del ICN-UNAM  
ante el Consejo Tecnico de la Investigacion Cientifica, UNAM.
- 2000-01, 2002-05     **Miembro del Consejo Interno**  
Consejo Interno del ICN-UNAM.
- 2003-2005           **Coordinador de Area**  
Coordinador del “paquete” de gravitacion y cosmologia  
Posgrado en Ciencias Fisicas, UNAM.
- 2003                  **Presidente de Mesa Coordinadora**  
Seminarios de Diagnostico Locales, CECU, ICN-UNAM
- 2002-2004           **Jefe de Departamento**  
Departamento de Gravitacion y Campos del ICN-UNAM.
- 2004                  **Miembro de la Terna para ocupar la Direccion**  
Instituto de Ciencias Nucleares, UNAM, periodo 2004-2008.
- 2004-                **Miembro de Comision**  
Comision de Television-UNAM, 2005 Año Internacional de la Fisica,

- 
- 2004-2005            **Coordinador de Unidad**  
                        Unidad de Docencia y Formacion de Recursos Humanos del ICN-UNAM.
- 2007-                **Miembro de Comision**  
                        Comision de Vinculacion y Enlace Interinstitucional, IMUNAM-Morelia  
                        Unidad Morelia IM-UNAM.
