

USEFUL INFORMATION

INTERNATIONAL CONFERENCE AND WORKSHOP ON SURFACES OF INFINITE TYPE

Hotels. Most participants are housed in one of three hotels: the Hotel Casa Grande, the Hotel Villey de Mendoza, and the Hotel Casino. All three are located on the same block, just west of the cathedral and surrounding the Plaza de Armas. This location is the heart of the historic city, and the surrounding area is well worth exploring.

Location of the conference and transportation. All talks will be held in the auditorium of the Centro de Ciencias Matemáticas on the UNAM campus.

Each day a bus will transport the participants from the city center to the UNAM campus; the ride takes 20–25 minutes. The bus will be parked on the Av. Madero, in front of the Hotel Casino.

At the end of each day's sessions, a bus will return to the city center. It will depart from the parking lot next to the conference building.

In all cases, **please arrive a few minutes early for the bus.** See schedule for departure times.

If you do not wish to take the bus, a taxi can be arranged by the hotel or by the mathematics administration (depending on your point of departure). The cost of a taxi ride should be about \$80–90 (MXN).

Web access. The conference building is equipped with Wifi throughout. A password will be provided at the conference.

Other resources.

Coffee and refreshments will be provided during each morning and afternoon session.

Classrooms are available for those who would like to have a place outside of the auditorium to work individually or as a group. These are located on the third floor of the Centro de Ciencias Matemáticas, numbered 6 and 7.

Restaurants. Several recommended places to eat in the city center are indicated on the conference Google map, available at <http://goo.gl/maps/j5mXa>.

Wednesday afternoon excursion. On Wednesday, all are invited to travel to the nearby historic city of Pátzcuaro (weather permitting). After lunch that day, we will take a bus to the city and have a guided tour, about 1h30 in length. Then the afternoon will be free for another couple of hours. We will return to Morelia between 18h00 and 19h00.

Conference dinner. Thursday night will be a celebratory dinner. This will be held in the Centro Cultural Universitario, in the city center, a 15 minute walk from the hotels. A group will depart on foot from the Hotel Casino at 19h10 (weather permitting). Those who do not wish to walk may take a taxi; the address is Av. Acueducto 19, on the corner of the pedestrian street Calzada Fray Antonio de San Miguel.

If you have dietary restrictions applicable to this dinner, please let the organizers know as soon as possible, and no later than Tuesday afternoon.

On behalf of UNAM and the organizers, welcome!
